

Notice of Service

Cleaning of Roofs, Rain gutters and Downspouts February 11-12, 2016

The Board of Directors has hired Professional Gutter Cleaning Services, Inc. to perform the gutter and downspout cleaning at all buildings.

This project is scheduled to start on February 11, 2016 and take 2 days to complete for the entire complex. The project should end by Friday, February 12, 2016.

At this time, all roofs, gutters and downspouts will be cleared of all debris, which will fall onto the grounds, walkways, patios, driveways, fences, balconies, decks, and all other such outdoor areas. For your own personal safety, please do not go into these areas during the cleaning.

Prior to the date of cleaning, residents are asked to remove all furniture, plants, clothing, pets, cars, etc. from the areas that may be affected by this cleaning. Please take all necessary steps to protect your property from this debris. Professional Gutter will be responsible for cleaning minor residual debris as a result of gutter cleaning from these areas. If applicable, patios gates must be unlocked to provide access.

If after the cleaning, any downspout does not function, immediately contact Debbie McGraw, your Association Manager at 650-349-9113 ext. 121.

Thank you very much for your cooperation.
