### Reminders for all new owners and residents

We would like to welcome all the newcomers to Barron Square and remind you of a few simple things to make the transition easier.

- Please review the CC&Rs and the Barron Square notebook for information on the rules governing the owners/residents of Barron Square.
- Before you plan or make any significant remodeling changes to your unit check to see what permissions and permits are required, both by the HOA and

by the City of Palo Alto..

- Please provide PML Management with a list of the occupants in your unit. Contact PML if you did not receive your notebook or key fobs for the clubhouse area and tennis court.
- Please check with the other residents in your building to determine the policies for handling recycling and trash.
- If you are having cable service installed by Comcast, be sure that the installer understands that exterior cable must be run in the underground conduits and cable tracks on the exterior of the building. If you are having satellite dish service installed, the antenna location must be approved by the HOA
- Go to the Barron Square website (<http://barronsquare.org>) and register for access to all the news postings.

Welcome to Barron Square!
