### Video Doorbells

Following the rash of package thefts last holiday season, the use of video doorbells has become very popular. Some of our neighbors have expressed an interest in installing a video doorbell device and a few have already done so. This is an action which would normally require approval from the HOA via an Architectural Review Request. In

order to simplify the procedure to obtain approval for this device, the Architectural Review Committee has established the following guidelines: ...

## No Smoking in Barron Square

By now all residents/owners should have received the letter from the Palo Alto Public Works Department reminding residents that effective January 1, 2018 smoking is prohibited in all multi-unit residences such as Barron Square. Smoking is prohibited: inside all multi-unit residences, including

balconies, porches, decks and patios, in common areas such as pathways, courtyards, community rooms, swimming pools, grassy areas, ...
