Patio Furniture Available

The pool advisory committee appointed by the Board (Ayla Singhal, Meghan Grillone, Ruth Lowy and Laszlo Tokes) has now acquired new furniture for the pool. All of the old furniture must be discarded.

If any residents of Barron Square wish to have any of the old furniture for their deck or patio, it is available on a first-come first-served basis through Thursday, June 28th. The old furniture is located by the redwood tree in the area to the left of the rear clubhouse door near the Interdale fence. Any furniture remaining will be hauled away on Friday, June 29th.

Allocations in our reserve budget for 2018 included funds for a major upgrade (re-stringing) or complete replacement of our pool furniture. The committee found that repair service for stringed pool furniture is no longer available in California. A survey of pool furniture suppliers concluded that the special promotional pool furniture items offered by COSTCO were the most cost effective and attractive replacement for our aged furniture and the total cost for the replacement of all our furniture was close to what had been allocated in the budget. The recommended purchase received the Board's approval during their June 20th meeting.

We hope you will enjoy our beautiful pool and wishing you a great summer season.
