DAVIS-STIRLING ACT PROCEDURES & REQUIREMENTS

Current Davis-Stirling statutes 5300 & 5550 ((old 1365 & 1365.5)) require the Association to Review the Reserve Study on an annual basis and implement any necessary adjustments regarding component performance, replacement and/or deferral; as well as recalculation of financial figures based on that review and current financial data. Additionally, Statute 5550 ((old 1365.5)) continues to require a Site Inspection based Update of the complete Study at a minimum every three years. The Reserve Study is to include:

Identification of the major components.

Establishment of reasonable life expectancies and remaining life of all components.

Projected estimated cost of all repair and replacements.

Development of a 30 year Funding Plan which identifies date and amount of regular and special assessments.

Calculation of Percent Funded and amount of per unit deficiency.

Statement of methodology.

Additionally, calculation of 5570 ((old 1365.2.5)) Reserve Summary and Disclosure Document.

SCOPE OF STUDY

The time frame covered by this analysis is from 2018 through 2047. These are the beginning and ending points for all repairs and replacements included in the 30 Year Funding Plan included in this study.

STATEMENT OF RESERVE STUDY METHODOLOGY

The components included in this analysis were identified by age, quantity, and type. Upon completion of the component list and the Reserve Fund Requirement Analysis, the report was presented to the Homeowners Association's Board for approval. The following sources were used, when applicable, to make our determinations:

Original plans and specifications

Original contractors, current contractors and vendors

Association maintenance staff

Association management

Association Board of Directors

While gathering this information there were some assumptions made regarding existing conditions, future conditions and additional circumstances that may occur that would affect the cost of repairs. Some of these assumptions may come true and others may not; therefore, the cost of repairs and life of certain components could vary substantially. Life expectancies of all components were based on industry standard experiences, and on the components being in reasonable and ordinary condition.

All component conditions were based on visual inspection. There was no disassembly of components or demolition involved. This report does not address any factory or product defects or any damage due to improper maintenance, system design, or installation. It's also assumed all components will receive reasonable maintenance for their remaining life.

Only components that met the following criteria were included in this report:

The component maintenance is the responsibility of the Association.

The component is not covered by the Association's Annual Operating Budget.

The component's useful life is greater than one year, except in the case of variable ongoing repair of a major component

The component has an identifiable expected cost and replacement cost.

Inclusion in the Funding plan requires the component's remaining estimated useful life is less than 30 years.

The Reserve Study includes a 30 year component expenditure projection from which a Funding Plan was developed which proposes a "schedule of the date and amount of any change in regular or special assessments that would be needed to sufficiently fund the Reserve Funding Plan." The premise of this replacement cost projection is to ensure a positive cash balance in the Reserve Fund Account that will enable the Association to fulfill its "obligation for the repair and replacement of all major components with an expected remaining life of 30 years or less." It is equally important that a positive cash fund be maintained without relying on Special Assessments or overfunding of Reserves. The cost projections in this report are inflated based on an "assumed long-term inflation rate" based on a 30 year average and adjusted for local economies. The Funding Plan in this report includes an "assumed long-term interest rate" which is not to exceed "2% above the discount rate published by the Federal Reserve Bank of San Francisco." Both rates were reviewed in the Preliminary Draft and approved by the Board of Directors.

Code #	Component Description	2017 End Req'd in Bank	Year New	Useful Life	Rmng. (2018)	Current Cost	Annual Allocation	2018 End Req'd in Bank
		2017 End						2018 End
	Total Dollars Necessary to be 100% Funded:	\$1,418,439						\$1,511,656
	Actual Dollars In Reserve Fund:	\$1,058,088						\$1,167,085
	Current Fund Deficiency:	\$360,351						\$344,571
	Current Per Unit Deficiency:	\$5,544						\$5,301
	Percent Funded:	74.60%						77.21%
	(Actual dollars/Total Dollars Necessary)							

STEPS FOR DETERMINING PERCENT FUNDED:

- Step 1: Calculate for each component a required contribution on a "straight-line" funding methodology. (total component cost divided by the life expectancy of the component)
- Step 2: Calculate the required dollars in Reserves for each component. (required annual contribution multiplied by the component's life in service)
- Step 3: Total the required dollars for each component to arrive at "required dollars in bank".
- Step 4: Divide actual dollars in bank by required dollars in bank to arrive at percent funded calculation.

This report includes, but is not limited to*, reserve calculations made using the formula described in section 5570(b)(4) ((old 1365.2.5(b)(4)) of the Davis-Stirling Act:

(4) For the purpose of the report and summary, the amount of reserves needed to be accumulated for a component at a given time shall be computed as the current cost of replacement or repair multiplied by the number of years the component has been in service divided by the useful life of the component. This shall not be construed to require the board to fund reserves in accordance with this calculation.

* The future funding levels developed in the Funding Plan of this Reserve Study are derived through cash flow funding calculations.

PROPERTY DESCRIPTION & COMPONENT INCLUSION:

Barron Square HOA is a 65-member association located in Palo Alto, CA. The Association is responsible for 13 residential buildings that were originally built in 1 phase in 1979. The Association is responsible for all components as the Board of Directors has interpreted the CC&Rs. For specific component inclusion based on that interpretation please refer to the Component Data or Schedule Sections.

5300(b)(4) - COMPONENT CONDITION:

The property is composed of a variety of components that are in a range of conditions due to their various ages and expected lives. The projections in this Reserve Study intend to maintain these components at an appropriate condition in the future; however, it is the Board's responsibility to investigate and cause the actual maintenance, repair and replacement projects at the appropriate time(s).

Per Davis-Stirling Section 5500 ((old 1365.5)), on a quarterly basis the Board will review actual reserve expenses compared to the year's proposed reserve expenses. Depending on each component's condition and available information at that time, the Board will determine to undertake repair and replacement projects as appropriate. Please refer to the Sections of Component Data and/or Component Schedule for specific details on component ages, expected lives, and remaining lives. A component with a negative remaining life does not necessarily mean the component is being deferred, but rather signifies that the component is past its statistically average life and will be reviewed annually until it is appropriate for replacement. If the Board has specifically determined to defer or not undertake a component's repair or replacement, that decision and its justification is required to be in meeting minutes and disclosed separately in the Annual Budget Report.

5300(b)(3,5,6,7,8) - FUNDING PLAN ANALYSIS & CALCULATIONS:

5300(b)(3) - "the association shall provide the full reserve study plan upon request."

Specific Details regarding the following statements can be viewed in the "30 YEAR FUNDING PLAN" (included with this Reserve Summary).

5300(b)(5) - If applicable, the amount and commencement date of Board determined or anticipated special assessments will be shown and if a vote of the membership is required.

5300(b)(6) - The mechanism(s) by which the board will fund the reserves, including assessments, borrowing, and/or use of other assets. Refer to 5300(b)(4) above for deferral/selected repair/replacements.

5300(b)(7) - Procedures & methodology used for these calculations can be found in section "Procedures & Methodologies" (included with this Reserve Summary).

5300(b)(8) - If applicable, details regarding outstanding loans can be found in the 5570 "Reserve Summary and Disclosure" (included with this summary) and/or separately in the Annual Budget Report.

The Reserve Study is a SERIES OF PROJECTIONS, and consequently the estimated lives and costs of components will likely CHANGE OVER TIME depending on a variety of factors such as future inflation rates, the level of preventative maintenance completed by future boards, unknown material defects, changes in technology, efficiency, and/or government regulations.

The Reserve Study is an evolving document that represents a moment in time covering a 30 year period. As required by The Davis-Stirling Act, we recommend that the Association review and update this Reserve Analysis on an annual basis to make adjustments for component expenditures and fluctuations in annual revenue, interest, and inflation.

NOTE: The financial representations set forth in this summary are based on the best estimates of the preparer at that time. The estimates are subject to change. At the time this summary was prepared, the assumed long-term before-tax interest rate earned on reserve funds was 2 percent per year, and the assumed long-term inflation rate to be applied to major component repair and replacement costs was 3 percent per year.

(b) For the purposes of preparing a summary pursuant to this section:

(1) "Estimated remaining useful life" means the time reasonably calculated to remain before a major component will require replacement.

(2) "Major component" has the meaning used in Section 5550 ((old 1365.5)): Components with an estimated remaining useful life of more than 30 years may be included in a study as a capital asset or disregarded from the reserve calculation, so long as the decision is revealed in the reserve study report and reported in the Assessment and Reserve Funding Disclosure Summary.

(3) The form set out in 5570 subdivision (a) shall accompany each Annual Budget Report or summary thereof that is delivered pursuant to section 5300. The form may be supplemented or modified to clarify the information delivered, so long as the minimum information set out in subdivision 5570 (a) is provided.

(4) For the purpose of the report and summary, the amount of reserves needed to be accumulated for a component at a given time shall be computed as the current cost of replacement or repair multiplied by the number of years the component has been in service divided by the useful life of the component. This shall not be construed to require the board to fund reserves in accordance with this calculation.

Further Notes: Please read the Requirements & Methodology in Section 2.00 and the Narrative Statements in Section 4.00 of this Financial Summary for important details concerning this Reserve Study's development.

ASSESSMENT COLLECTION POLICY

Notice to Members:

This document sets forth the Association's policy regarding the collection of assessments pursuant to the Association's Governing Documents and California Civil Code Sections 5600 - 5740.

1.0 Assessments in General.

The Association has a duty to levy regular and special assessments sufficient to perform its obligations under the governing documents and California law. Regular assessments are determined at least once annually and are payable during the year in Monthly installments or at such other intervals as the Board of Directors shall designate. The Association shall distribute the written notice described in Civil Code Section 5730 to each member of the Association during the 60-day period immediately preceding the beginning of the Association's fiscal year.

2.0 Obligation to Pay Assessments.

A regular or special assessment and any late charges, reasonable fees and costs of collection, reasonable attorney's fees, if any, and interest, if any, as determined in accordance with Civil Code Section 5650, shall be a debt of the owner of the separate interest at the time the assessment or other sums are levied. Each assessment or charge is also a lien on the owner's property from and after the time the Association causes a Notice of Delinquent Assessment (Lien) to be recorded with the County Recorder's Office of the County in which the property is located.

3.0 Monetary Charge for Reimbursement to Association for Damage to Common Areas and Facilities.

A monetary charge imposed by the Association as a means of reimbursing the Association for costs incurred by the Association in the repair of damage to common areas and facilities for which the member or the member's guests or tenants were responsible may become a lien against the member's separate interest enforceable by the sale of the interest under Sections 2924, 2924b, and 2924c, provided the authority to impose a lien is set forth in the governing documents.

4.0 Monetary Penalty Imposed by the Association as a Disciplinary Measure.

A monetary penalty imposed by the Association as a disciplinary measure for failure of a member to comply with the governing instruments, except for the late payments, may not be characterized nor treated in the governing instruments as an assessment that may become a lien against the member's subdivision separate interest enforceable by the sale of the interest under Sections 2924, 2924b, and 2924c.

5.0 Notice of Assessments.

Not less than 30 days nor more than 60 days before any increase in the regular assessment or any special assessment becomes due, the Association will give the owners notice of the assessment. Notice will be sent by first-class mail to addresses on the membership register as of the date of notice. The Association can deliver notice of change of assessments via e-mail, if the owner has agreed in writing to accept Association documents via e-mail. The Board of Directors may elect from time to time to provide additional periodic statements of assessments and charges, but lack of such statements does not relieve the owners of the obligation to pay assessments.

6.0 Designation of Agent.

The Board of Directors may designate an agent or agents to collect assessment payments and administer this Assessment Collection Policy. Such designated agent may be an officer of the Association, manager, collection service, banking institution, law firm, attorney or other appropriate agent. A.S.A.P. Collection Services at 331 Piercy Road, San Jose, CA 95138 (408) 363-9600 is one of the designated agents authorized to administer this policy.

7.0 Association Cannot Voluntarily Assign or Pledge the Association's Right to Collect.

An Association may not voluntarily assign or pledge the Association's right to collect payments or assessments, or to enforce or foreclose a lien to a third party, except when the assignment or pledge is made to a financial institution or lender chartered or licensed under federal or state law, when acting within the scope of that charter or license, as security for a loan obtained by the Association; however, the foregoing provision may not restrict the right or ability of an Association to assign any unpaid obligations of a former member to a third party for purposes of collection. After the expiration of 30 days following the recording of a lien per the Covenants, Conditions and Restrictions (CC&R's), the lien may be enforced in any manner permitted by law, including sale by the court, sale by the trustee designated in the notice of delinquent assessment, or sale by a trustee substituted pursuant to Section 2934a. Any sale by the trustee shall be conducted in accordance with Sections 2924, 2924b, and 2924c applicable to the exercise of powers of sale in mortgages and deeds of trusts. The fees of a trustee may not exceed the amounts prescribed in Sections 2924c and 2924d.

8.0 Due Date/ Delinquency Date of Assessments.

Unless otherwise specified by the Board or the governing documents, an assessment is due on the first of each month. An assessment, or any portion thereof, is delinquent if it has not been received as directed by the Board or its designated agent 15 days after it is due.

9.0 Late Charges and Interest on Delinquent Amounts.

Delinquent accounts become subject to the following additional charges as contained in Civil Code section 5650 and the governing documents: costs of collection including reasonable attorney's fees; a late charge of \$10 or 10% of the delinquent assessment, whichever is greater and interest on all sums (including the delinquent assessment, collection fees and costs, and reasonable attorney's fees) at an annual interest rate not to exceed 12.00% commencing 30 days after the assessment becomes due; whether or not charged prior to collection. If it is determined the assessment was paid on time to the association the owner will not be liable to pay the charges, interest, and costs of collection.

10.0 Collection Charges.

Any costs and fees *incurred in setting up, processing and collecting delinquent amounts, including, without limitation, late charges, statement charges, monthly administrative charges, charges for preparation of delinquency notices or forward to collection charges, or request for a payment plan as well as the recordation of a lien or initiation of foreclosure proceedings, postage, copies, envelopes, labels, filing and recordation charges, delivery charges, and attorney's fees and costs, title searches, bankruptcy searches, pulling copies of grant deeds or property ownership history, address and or phone number verification searches, in addition to any other charges necessary to collect a delinquent assessment shall become an additional charge against the owner and the owner's property and shall be subject to collection action pursuant to this Policy.

*Incurred means as the services are provided, they are added to the owner's account.

11.0 Application of Payments.

If partial payments are accepted, they must be applied pursuant to Civil Code 5655: first to assessments owed, then when those are paid in full, payments shall be applied to the fees and costs of collection, then attorney's fees, then late charges, or interest. Owners may request a receipt and the association shall provide it. The receipt shall indicate the date of payments and the person who received it. Payments may be required to be made in certified funds, i.e. cashier's check or money order.

12.0 Initial Delinquency Notice.

Once an assessment, or any portion thereof, has become delinquent, the owner may receive an initial delinquency notice stating all amounts past due and any known collection charges imposed as of the date of the notice, which may be in the form of a letter, monthly statement, past due notice, or any other form of writing or notice from the Association or its designated agent.

13.0 Notice of Intent to Record a Lien.

If an assessment account remains unpaid for 45 days after it is due, the Association or its designated agent shall, at least 30 days prior to recording a lien upon the separate interest of the owner of record, notify the owner in writing by certified mail all of the notice requirements pursuant to Civil Code Section 5660. Prior to recording a lien for delinquent assessments, the owner has the right to request to participate in dispute resolution pursuant to the Association's "Meet and Confer" program required in Civil Code Sections 5900 - 5920. A copy of the "Meet and Confer" Offer and Procedure is attached to this collection policy as an ADDENDUM titled "ADDENDUM TO ASSESSMENT COLLECTION POLICY: OFFER FOR INTERNAL DISPUTE RESOLUTION (IDR), MEET AND CONFER, AND ADR."

14.0 Recording of Lien.

At the expiration of 30 days following the Notice of Intent to Record a Lien, the Association or its designated agent will without further notice to the owner, record a lien against the owner's property. The notice of delinquent assessment shall be mailed in the manner set forth in Section 2924b, to all record owners of the owner's interest in the common interest development no later than 10 calendar days after recordation.

15.0 Association Lien Subordination.

A lien created pursuant to 14.0 Recording of Lien shall be prior to all other liens recorded subsequent to the notice of assessment, except that the declaration may provide for the subordination thereof to any other liens and encumbrances.

16.0 Recording of Release of Lien.

A release of lien will not be recorded until the entire balance of the owner's account is paid in full. All charges incurred in recording a Release of Lien, including reasonable attorney or agent fees and costs, will be charged to the account. Within 21 days of payment in full the Association shall record or cause to be recorded in the office of the county recorder a release of lien or notice of rescission and provide the owner of the separate interest a copy of the recorded release of lien.

17.0 Lien Recorded In Error.

If it is determined that a lien previously recorded against a separate interest was recorded in error, the party who recorded the lien shall, within 21 calendar days, record or cause to be recorded in the office of the county recorder, a release of lien or notice of rescission and provide the owner of the separate interest a copy of the recorded document with a declaration stating that the recording was in error.

18.0 Foreclosure.

Judicial or Non Judicial foreclosure proceedings may not begin until the amount of the delinquent assessments secured by the lien, exclusive of any accelerated assessments, late charges, fees and costs of collection, attorney's fees, or interest, equals or exceeds one thousand eight hundred dollars (\$1,800) or the assessments are more than 12 months delinquent. Prior to initiating a foreclosure for delinquent assessments, the association will offer the owner and, if so requested by the owner, shall participate in dispute resolution pursuant to the association's "Meet and Confer" program required in Civil Code Sections 5900 - 5920 or alternative dispute resolution with a neutral third party pursuant to Civil Code Sections 5925 - 5965. The decision to pursue dispute resolution or a particular type of alternative dispute resolution shall be the choice of the owner, except that binding arbitration shall not be available if the association intends to initiate a judicial foreclosure. A copy of the "Meet and Confer" Offer and Procedure is attached to this collection policy as an ADDENDUM titled "ADDENDUM TO ASSESSMENT COLLECTION POLICY: OFFER FOR INTERNAL DISPUTE RESOLUTION (IDR), MEET AND CONFER, AND ADR."

19.0 Deed in Lieu of Foreclosure.

Nothing in this section or in subdivision (a) of Section 726 of the Code of Civil Procedure prohibits actions against the owner of a separate interest to recover sums for which a lien is created or prohibits an association from taking a deed in lieu of foreclosure.

20.0 Payment Plan Agreement.

An owner of a separate interest may submit a written request to meet with the Board of Directors, in executive session, to discuss a payment plan agreement to allow the owner to make periodic partial payments on the entire balance of the assessment account in addition to assessments that will accrue during the payment plan period. The Association has no obligation to enter into such a payment agreement. If the Association accepts an agreement with the owner it shall be reasonable, as determined by the Board in its sole discretion, and in accordance with the standards for payment plans, if any exist. The payment agreement shall be in writing and will include a provision that additional late fees shall not accrue during the payment plan period if the owner is in compliance with the terms of the payment plan. Interest and administrative charges will accrue until the account is paid in full. The agreement will also include a provision that in the event of a default on the payment plan, the Association may resume its efforts to collect the delinquent assessments from the time prior to entering into the payment plan. A lien will be recorded against the property to secure debt for the Association. The owner will be charged for the additional collection fees and costs to administer the payment plan. Payment plan requests outside of the Association's payment plan standards require Board approval. The board may designate a committee of one or more members to meet with an owner .

21.0 Validation of Debt.

Unless an owner disputes the validity of the debt, or any portion thereof, within thirty (30) days after receipt of the notice pursuant to 13.0 Notice of Intent to Record a Lien, the debt will be assumed to be valid. Validation of the debt will be provided in writing, at no additional cost to the owner and will include 1) an itemized statement of the charges owed by the owner, including items on the statement which indicate the amount of any delinquent assessments, the fees and reasonable costs of collection, reasonable attorney's fees, any late charges, and interest, if any 2) the Association's name and 3) the Association's mailing address.

22.0 Disputes.

Federal law states that initial dispute can be either oral or in writing. State law requires disputes to be in writing. It is therefore recommended that all disputes be put in writing to avoid misunderstanding.

23.0 Internal Dispute Resolution (IDR) Procedure, Meet And Confer.

An owner has the right to dispute the assessment debt by submitting a written request for dispute resolution to the Association pursuant to the Association's "Meet and Confer" program required in Civil Code Sections 5900 - 5920. A copy of the "Meet and Confer" Offer and Procedure is attached to this collection policy and serves as an official offer to the owner. See attached ADDENDUM titled "ADDENDUM TO ASSESSMENT COLLECTION POLICY: OFFER FOR INTERNAL DISPUTE RESOLUTION (IDR), MEET AND CONFER, AND ADR."

24.0 ADR - Alternative Dispute Resolution.

An owner has the right to request alternative dispute resolution with a neutral third party pursuant to Civil Code Sections 5925 - 5965 before the Association may initiate foreclosure against the owner's separate interest, except that binding arbitration shall not be available if the Association intends to initiate judicial foreclosure. A summary of the ADR - Alternative Dispute Resolution Civil Code 5965 is attached as an ADDENDUM to this policy titled "ADDENDUM TO ASSESSMENT COLLECTION POLICY: OFFER FOR INTERNAL DISPUTE RESOLUTION (IDR), MEET AND CONFER, AND ADR."

25.0 Owner has Right to Request Meeting with Board.

An owner has the right to request a meeting with the board. The board shall meet with the owner in executive session within 45 days of the postmark of the request, if the request is mailed within 15 days of the date of the postmark of the notice 13.0 Notice of Intent to Record a Lien, unless there is no regularly scheduled board meeting within that period, in which case the board may designate a committee of one or more members to meet with the owner.

26.0 Owner has Right to Review Association Records.

Owner has the right to review the Association records, pursuant to Civil Code Section 5205. Owner should contact the Association's managing agent for the policies and procedures set forth to inspect the records.

27.0 Dispute Resolution, Meet And Confer Procedure Civil Code Section § 5920. See attached Addendum titled "ADDENDUM TO ASSESSMENT COLLECTION POLICY: OFFER FOR INTERNAL DISPUTE RESOLUTION (IDR), MEET AND CONFER, AND ADR."**28.0 Other Remedies.**

The Association reserves the right to avail itself of any other remedy permitted by law and the Association's governing documents to collect assessments and related costs and charges, including but not limited to bringing an action in Small Claims or Superior Court. Such remedies may be taken in addition to, or in lieu of, any action already taken, and commencement of one remedy shall not prevent the Association from electing at a later date to pursue another remedy.

29.0 Address of the Association and the Board of Directors.

For the purpose of OVERNIGHT PAYMENTS owners are directed to use the same mailing address that is used for mailing routine assessment payments, unless otherwise directed by the designated agent. For the purpose of CORRESPONDENCE owners are directed to use the mailing addresses of the designated agent, unless otherwise directed. These addresses are subject to change after the distribution of this policy. Notification of a change will be in writing to the membership through normal day-to-day correspondence from the association or its designated managing agent. It is the owners' responsibility to note any changes for their records.

30.0 Returned Payments.

Payments returned for insufficient funds, closed account, stop payment or for any other reason will be charged back to the owners account in addition to any administrative fee, bank fee or collection fees and costs incurred to handle the returned payment. Personal checks will not be accepted if two payments are "Returned" by the bank for any reason.

31.0 Sufficiency of Notice.

Except for notice that under California law must be sent by certified mail, notice is sufficient if either hand delivered or mailed first class, postage prepaid, to the owner at the address on the membership register at the time of notice. Notice is presumed received (3) three days after notice was mailed.

32.0 Owner's Change of Address.

Owner is required to notify the Association of any change in the owner's name or mailing address. Upon receipt of a written request by an owner identifying a SECONDARY ADDRESS for purposes of collection notices, the Association shall send additional copies of any notices required by this section to the secondary address provided. The owner's request shall be in writing and shall be mailed to the Association in a manner that shall indicate the Association has received it. The owner may identify or change a secondary address at any time, provided that, if a secondary address is identified or changed during the collection process, the Association shall only be required to send notices to the indicated secondary address from the point the Association receives the request.

33.0 Void Provisions.

If any provision of this Policy is determined to be null and void, all other provisions of the Policy shall remain in full force and effect.

NOTICE REGARDING ASSESSMENTS AND FORECLOSURE **Civil Code §5730, §4740(b)**

This notice outlines some of the rights and responsibilities of owners of property in common interest developments and the associations that manage them. Please refer to the sections of the Civil Code indicated for further information. A portion of the information in this notice applies only to liens recorded on or after January 1, 2003. You may wish to consult a lawyer if you dispute an assessment.

ASSESSMENTS AND FORECLOSURE

Assessments become delinquent 15 days after they are due, unless the governing documents provide for a longer time. The failure to pay association assessments may result in the loss of an owner's property through foreclosure. Foreclosure may occur either as a result of a court action, known as judicial foreclosure or without court action, often referred to as nonjudicial foreclosure. For liens recorded on and after January 1, 2006, an association may not use judicial or nonjudicial foreclosure to enforce that lien if the amount of the delinquent assessments or dues, exclusive of any accelerated assessments, late charges, fees, attorney's fees, interest, and costs of collection, is less than one thousand eight hundred dollars (\$1,800). For delinquent assessments or dues in excess of one thousand eight hundred dollars (\$1,800) or more than 12 months delinquent, an association may use judicial or nonjudicial foreclosure subject to the conditions set forth in Section §5705(a), §5715(a), §5720(a) of the Civil Code. When using judicial or nonjudicial foreclosure, the association records a lien on the owner's property. The Owner's property may be sold to satisfy the lien if the amounts secured by the lien are not paid. (Sections §5600(a), §5605(a), §5605(c), §5650(a), and §5705(a), §5715(a), §5720(a) of the Civil Code)

In a judicial or nonjudicial foreclosure, the association may recover assessments, reasonable costs of collection, reasonable attorney's fees, late charges, and interest. The Association may not use nonjudicial foreclosure to collect fines or penalties, except for costs to repair common areas damaged by a member or a member's guests, if the governing documents provide for this. (Sections §5600(a), §5605(a), §5605(c) and §5650(a) of the Civil Code)

The association must comply with the requirements of Section §5650(a) of the Civil Code when collecting delinquent assessments. If the association fails to follow these requirements, it may not record a lien on the owner's property until it has satisfied those requirements. Any additional costs that result from satisfying the requirements are the responsibility of the association. (Section §5650(a) of the Civil Code)

At least 30 days prior to recording a lien on an owner's separate interest, the association must provide the owner of record with certain documents by certified mail, including a description of its collection and lien enforcement procedures and the method of calculating the amount. It must also provide an itemized statement of the charges owed by the owner. An owner has a right to review the association's records to verify that debt. (Section §5650(a) of the Civil Code)

If a lien is recorded against an owner's property in error, the person who recorded the lien is required to record a lien release within 21 days, and to provide an owner certain documents in this regard. (Section §5650(a) of the Civil Code)

The collection practices of the association may be governed by state and federal laws regarding fair debt collection. Penalties can be imposed for debt collection practices that violate these laws.

BARRON SQUARE HOMEOWNERS ASSOCIATION

PAYMENTS

When an owner makes payment, he or she may request a receipt, and the association is required to provide it. On the receipt, the association must indicate the date of payment and the person who received it. The association must inform owners of a mailing address for overnight payments. (Section §5650(a) of the Civil Code)

An owner may dispute an assessment debt by submitting a written request for dispute resolution to the association as set forth in Article 5 (commencing with Section §5900) of Chapter 4 of Title 6 of Division 2 of the Civil Code. In addition, an association may not initiate a foreclosure without participating in alternative dispute resolution with a neutral third party as set forth in Article 2 (commencing with Section §5925) of Chapter 7 of Title 6 of Division 2 of the Civil Code, if so requested by the owner. Binding arbitration shall not be available if the association intends to initiate a judicial foreclosure.

An owner may, but is not obligated to, pay under protest any disputed charge or sum levied by the association, including, but not limited to, an assessment, fine, penalty, late fee, collection cost, or monetary penalty imposed as a disciplinary measure, and by so doing, specifically reserve the right to contest the disputed charge in court or otherwise.

An owner is not liable for charges, interest, and costs of collection, if it is established that the assessment was paid properly on time. (Section §5650(a) of the Civil Code)

MEETINGS AND PAYMENT PLANS

An owner of a separate interest that is not a timeshare may request the association to consider a payment plan to satisfy a delinquent assessment. The association must inform owners of the standards for payment plans, if any exist. (Section §5650(a) of the Civil Code)

The board of directors must meet with an owner who makes a proper written request for a meeting to discuss a payment plan when the owner has received a notice of a delinquent assessment. These payment plans must conform with the payment plan standards of the association, if they exist. (Section §5650(a) of the Civil Code)

RULES AND REGULATIONS FINES SCHEDULE
February 1, 2010

Background: When prospective homeowners purchase property at Barron Square, they agree to abide by the documents governing the Barron Square Homeowners Association of which they have become a member. These governing documents include the CC&Rs, Bylaws, and also Rules that have been added, as necessary, by Association Boards. The Rules, which speak to common areas include but are not limited to the Pool, Clubhouse, and Tennis Courts, are contained in the Barron Square notebook, which each owner is given and is obligated to update from time to time as new or revised portions are provided. These same agreements are required of tenants when a homeowner is leasing their property. When an owner leases their unit, they are required to provide the tenants with copies of all Governing Documents (CC&Rs, By-Laws), as well as an up-to-date copy of the Barron Square Notebook, and the lease must require all tenants to abide by same. However, all notices, hearings, and due process procedures are between the Association and the unit owner(s), regardless of who occupies the unit, or what guests may be involved.

From time to time a homeowner, their tenants, or guests may violate one or more of the terms contained in these documents. In the past, for the most part, a letter or personal contact with the homeowner has been sufficient to correct problems. However, should this not be sufficient to correct any violations, the Board feels that a clarification of the fine structure was in order.

Note: The Homeowners Association Board of Directors is not in the business of harassing homeowners for no reason. **It is the duty of the Board of Directors to respond to neighbor complaints, or to manifested noncompliance with the CC&Rs, Bylaws, or Rules, and to ensure that violations are corrected in a timely manner.**

Unless a violation is a dangerous infraction or includes property damage that requires immediate response, homeowners having perceived violations will be notified by letter and given 30 days to correct the problem. In addition, the homeowner is entitled to a hearing with the Board during this 30 day period should they feel the violation is in error. If, after the hearing (and if the Board rules against homeowner), the fine will then go into effect as noted in the attached chart.

In the case of chronic offenders, the 30 day compliance grace period will not apply after the first violation, and offender will be sent an immediate fine notice.

Fines will not exceed \$300 in a calendar year.
